- Sections: 4 • Rod Length: 215mm * 4
- Rod Diameter: 5mm • Grip Length: 100mm

POLISHING ACCESSORIES

ROPE CLEANERS

Rope Cleaner combines the scrubbing power of a brush with the absorbency of a mop in one compact design. Engineered to remove rust, powder residue, dirt, fouling, and other contaminants, it ensures thorough cleaning inside your barrel every time. Available in multiple sizes to fit a wide range of calibers and barrel diameters, the flexible rope easily glides through your firearm's barrel, reaching every nook and cranny. Simply pull it through with a smooth stroke to lift and remove debris.
